Instructions: Below is a list of accounts and document types that are available for enrollment in electronic delivery. You may place a check next to any document you wish to enroll or place a check next to any account(s) in which you wish to enroll all documents. If you uncheck any document or account, you will be unenrolled in electronic delivery for those applicable documents and/or accounts. No selections will be saved until you select the "Save Settings" button. Enrollment changes may take up to 3 business days to process. Unenrolled accounts may not be converted to paper delivery unless enrolled joint owners (or other Online Banking setups, for Business Clients) also unenroll. Contact the Bank for assistance in verifying this.
